

### Concepts and Roles in Pupil Personnel

- I. The Board of Education must establish policies to provide for:
- A. Measuring the potential, needs and progress of the individual pupil;
  - B. Providing facilities and programs to safeguard the physical well-being and health of pupils;
  - C. Governing pupil behavior and attendance according to law;
  - D. Safeguarding all pupils' civil and legal rights as they may be affected by the school.

Only the Board of Education has the power to expel a pupil.

- II. The Superintendent shall:
- A. Implement all the policies of the Board by developing appropriate regulations and procedures and administering them;
  - B. Keep the Board apprised of pupil-related concerns on a school and district basis;
  - C. Inform the Board of changes in circumstances or law that require review and revision of pupil-related policies;
  - C. Carry out all functions required by law.

- III. Pupils shall be expected to take advantage of all programs and facilities designed to help them:
- A. Mature at their individual rate;
  - B. Learn to interact positively with others without regard to race, age or socio-economic background;
  - C. Learn to respect the rights of others in the school and the community;
  - D. Develop responsible patterns of behavior and self-discipline.
