

Conduct/Discipline

The board believes that an effective instructional program requires an orderly school environment and that the effectiveness of the educational program is, in part, reflected in the behavior of students. The board approved code of student conduct is established to achieve the following purposes:

- A. Foster the health, safety, and social and emotional well-being of students;
- B. Support the establishment and maintenance of civil, safe, secure, supportive and disciplined school environments conducive to learning;
- C. Promote achievement of high academic standards;
- D. Prevent the occurrence of problem behaviors;
- E. Establish parameters for the intervention and remediation of problem student behaviors at all stages of identification; and
- F. Establish parameters for consistent responses to violations of the code of student conduct that take into account, at a minimum, the severity of offenses, the developmental ages of student offenders and students' histories of inappropriate behaviors as appropriate.

The board of education expects students to conduct themselves in keeping with their level of maturity, with a proper regard for the rights and welfare of other students, for school personnel, for the educational purpose underlying all school activities, and for the care of school facilities and equipment. Students are required to conform to reasonable standards of socially acceptable behavior; respect the person, property and rights of others; obey constituted authority and respond to those who hold that authority.

The board of education believes that standards of student behavior must be set cooperatively by interaction among the students, parents/guardians, staff and community, producing an atmosphere that encourages students to grow in self-discipline. Such an atmosphere must include respect for self and others, as well as for district and community property.

Board policy requires each student of this district to adhere to the rules and regulations established by the administration and to submit to such disciplinary measures as are appropriately assigned for infraction of those rules. The Superintendent/Principal shall provide to students and their parents/guardians the rules of this district regarding student conduct and the sanctions that may be imposed for breach of those rules. The Superintendent/Principal has the right and authority to impose a consequence on a student for conduct away from school grounds that is consistent with the board's approved code of student conduct, pursuant to N.J.A.C. 6A:16-7.1 and N.J.A.C. 6A:16-7.6.

Harassment, Intimidation or Bullying

- A. The student's behavior is not primarily caused by his/her educational disability;
- B. The program that is being provided meets the student's needs.

Staff shall comply with state and federal law and the regulations of the New Jersey administrative code in dealing with discipline and/or suspension of all students with disabilities.

N.J.S.A. 18A:40A-11 requires policies and procedures for the evaluation, referral for treatment and discipline of pupils involved in incidents of possession or abuse of substances on school property or at school functions.

N.J.A.C. 6A:16-4.1 requires policies and procedures for the assessment, evaluation, intervention and referral to treatment and enforcement of the code of student conduct, pursuant to N.J.A.C. 6A:16-7, for students whose use of alcohol or other drugs has affected their school performance, or for students who consume or who are suspected of being under the influence of or who possess or distribute the following substances on school grounds pursuant to N.J.S.A. 18A:40A-9, 10, and 11:

N.J.A.C. 6A:16-5.5 requires the board to adopt and implement policies and procedures regarding student offenses involving firearms, as defined in N.J.S.A. 2C:39-1(f) and 18 U.S.C.A. § 921, pursuant to the Zero Tolerance for Guns Act, N.J.S.A. 18A:37-7 through 12.

Other Reasons:

Districts are reminded that they must develop a Code of Student Conduct in accordance with N.J.A.C. 6A:16-7.1. This policy shall be aligned with and not replace the district's Code of Student Conduct.

The weight of court and commissioner decisions, added to the possibly damaging consequences to the district of a lack of clear policy, makes it a critical policy topic for behavior other than substance abuse or weapons possession.

N.J.S.A. 2A:4A-60 allows the principal to request information from law enforcement authorities on a juvenile charged with an offense, including the identity of the juvenile, the offense charged and the adjudication and disposition of the case. N.J.A.C. 6A:16-1.4(a)19 and N.J.A.C. 6A:16-5.4 requires policy on maintaining confidentiality during these proceedings.

Every Student Succeeds Act of 2015 requires the state to establish statewide policy requiring that a student who is attending a persistently dangerous elementary or secondary school or who becomes a victim of a violent criminal offense while in or on the grounds of a public elementary school or secondary school be allowed to attend a safe school within the district, including a charter school.
