**NOTICE TO ALL REGISTERING PUPILS AND PARENTS**  
**IMPORTANT PLEASE READ**

The Boonton Township Board of Education has very clear, specific and firm policies regarding public school pupils in this Township.

If you do not live in Boonton Township you will be billed for tuition if your child attends our school system.

Owning property in the Township does not give one the right to attend our schools, if your actual residence is not in the Township.

Parents of any child or children in the Boonton Township Public School system or any other person having the care or custody of any such child or children must notify the Board in the event that there is a change in residence at anytime during the school year, whether or not the residence is within the Township or outside the Township, and must furnish to the Superintendent of Schools the new address and the date the residence was changed.

If the child is a non-resident of the Township when such child is registered, the Superintendent must be furnished with the date it is contemplated the child or family will become a resident of Boonton Township, and must also be notified when the actual change in residence takes place.

**STATEMENT OF REGISTERING PARENT OR GUARDIAN**

I fully recognize that it is my duty to advise the Board of Education through its secretary or the Superintendent of Schools if the pupil changes domicile from the Township at any time during the school year, and will supply to him/her all of the necessary details concerning the change.

(Monthly tuition costs are figured by the Board's Business Administrator based on an audited figure.)

I have read and fully understand the Board policy with respect to the necessity of domicile within the school district for a child to be registered and admitted to the schools in this district. I acknowledge that I have been given a copy of this policy statement.
